GEORGIA, 2005

STATISTICS

Tbilisi

2006

Data collected from statistical reports of the medical institutions of the Ministry of Labour, Health and Social Affairs, the Ministry of Internal Affairs, the Railway department and the Air transportation department of Georgia have been used in this yearbook. The book also contains vital statistics received from the State Statistical Department of the Ministry of Economical Development of Georgia.

The yearbook is prepared by the National Centre for Disease Control and Medical Statistics after L. Sakvarelidze of the Ministry of Labour, Health and Social Affairs of Georgia
